

# FOSTER PARENTS

## Fostering LGBT Youth

in partnership with **Suffolk County Department of Social Services**

Whether you are interested in becoming a foster parent or need to maintain your foster parent M.A.P.P. certification, this class is for YOU and YOUR FAMILY! LGBT Network and Suffolk County DSS are providing LGBT cultural competency classes to all who are interested! Learn about sexual orientation, gender identity and expression, HIV/AIDS, and their impact on families. Participants will leave with best practices for affirming strong parenting and how to create a supportive environment for your child.
