

LGBT Network Certified TIER II APPLICATION

LGBT Network Certified is a program that recognizes companies and organizations for their LGBT diversity, equity, inclusion, and belonging (DEIB) efforts in support of their employees, customers, and clients.

LGBT DEIB represents a broad range of activities implemented to improve the experience of employees as well as to improve the culture of an organization. LGBT DEIB builds awareness, enhances policies, and ultimately works to attract and retain both employees and clients or customers.

LGBT Network has developed the LGBT Network Certified Program from its “LGBT Workplace Blueprint,” a set of best-practices identified by our Workplace Advisory Council, a group of corporate employees involved with LGBT DEIB activities. LGBT Network Certified builds from the Blueprint to benchmark LGBT DEIB.
